Experience

CureGenie, Inc.

Berkeley, CA

COFOUNDER, DEVELOPER

Jun 2023 - Current

- Automated clinician workflows using generative AI, significantly enhancing efficiency and accuracy in patient care processes across Boston and California clinics.
- Led the development and deployment of CureGenie's infrastructure, business logic, security, and user interface, ensuring a seamless and secure user experience.
- Winner of CalHacks' June 2023 (World's Largest AI / LLM Hackathon), successfully securing \$50,000 from Berkeley SkyDeck.

One Redwood City

Redwood City, CA

CO-FOUNDER

Aug 2015 - June 2021

- Advocated for tenant protections, affordable housing, and increased housing availability, contributing significantly to community service and policy advocacy. Notably led the organization and advocacy for AB 1482 in 2019 at the state level and piloted the Safe Parking program for RV dwellers in Redwood City.
- Conducted research and proposed policies to local policymakers, showcasing the ability to translate complex data into actionable insights and recommendations.
- Facilitated \$300,000 in rental assistance during the 2020-2021 lockdowns in partnership with the Legal Aid Society of San Mateo, supported by a generous donation from the Chan-Zuckerberg Initiative.

Various Political Campaigns

Redwood City, CA

INDEPENDENT CAMPAIGN CONSULTANT

Oct 2019 - Nov 2020

- Developed and implemented comprehensive campaign strategies for multiple political candidates, demonstrating expertise in data analysis, digital marketing, and grassroots organizing.
- Leveraged advanced data analytics to refine campaign strategies, achieving significant outreach and engagement in competitive political landscapes.
- Collaborated with notable figures such as Amourance Lee, Chris Rasmussen, and Lissette Garnica-Espinoza, enhancing team synergy and campaign effectiveness.

Diana Reddy for City Council

Redwood City, CA

CAMPAIGN MANAGER

Jan 2018 - Jan 2019

- Ensured legal compliance with the City of Redwood City, County of San Mateo, and State of California regulations.
- Managed fundraising campaigns and events, successfully raising over \$60,000 for an at-large election.
- Directed a volunteer team of 30+, showcasing strong leadership and organizational skills.
- Utilized data analysis for targeted supporter engagement, contributing to a successful election outcome through strategic planning and execution.
